

Week 1 IT2 Board Game 2

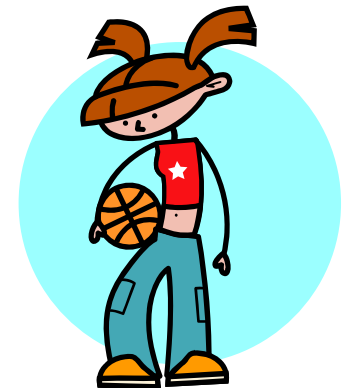

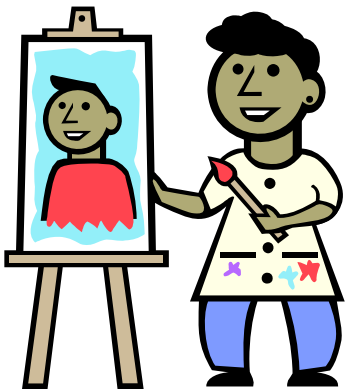

'Who does what'

Aim: To reinforce sentence structure

Number of players: 2

How to play:

- The children have a picture baseboard between them and a blank grid each.
- They place one pile of cards by the board.
- They take it in turns to take one card from the pile.
- They then lay it on their grid to make a sentence that will match with the picture next to it, e.g. 'Anna paints pictures'.
- If the card does not match to any picture they put the card back under the pile and wait for next turn.
- The winner is the first child to complete all four sentences.
