

Week 3 IT 5 Board Game 7

Picture 'How' Bingo game

Aim:

To reinforce 'describing the 'does' with 'how' by extending vocabulary.

Number of players: 2 or more

How to play:

Each child has a baseboard (made by cutting the A4 board in half down the dotted line) and the pile of words is put facedown on the table.

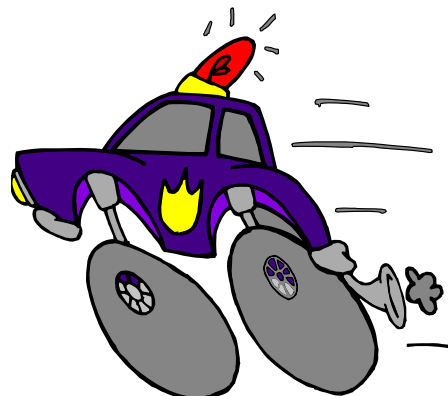

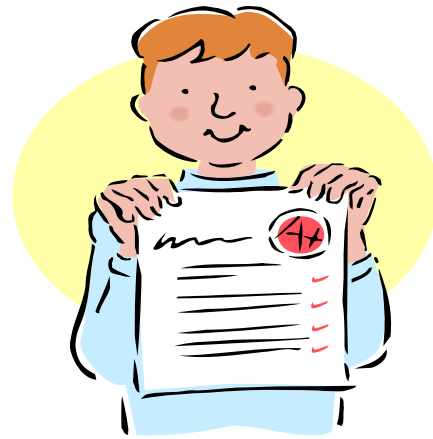

The first child then has to take a card and match the word to a picture on their board.

If the child spots the word which matches a picture on their baseboard, they put the card over it.

If they don't see a match to any of their pictures they return it to the bottom of the word card pile.

The next child then has a turn.

The object is to be the first to fill their board.
