

Week 6 Game 13

Past and Present Tense Dominoes

Aim:

To give children practice in reading verbs in the past and present tenses

Number of players: 2

How to play:

1. Divide the cards between the players.
2. The first child places a card on the table.
3. The second child looks at his/her cards and tries to place a matching card onto the first card.
4. If s/he succeeds, it is the first child's turn to find a card to match those on the table from his/her cards.
5. If s/he cannot find it, the first child tries to find a matching card.
6. The winner is the first child to use all of his/her cards.

N.B.

- Verbs in present tense and regular past tense are written on cards.
- The words 'Past' and 'Present' are written on separate cards together with a picture of a verb.
- Verbs appear in both the present and past tense.
- The child's task is to match the verb tense with the correct picture and time (e.g. 'kicked' / Past ).

There are 24 verbs targeted in each of the two games -

Game 1 = slides 2, 3 & 4;

Game 2 = slides 5, 6 & 7.

The 'Dominoes' create a circuit of 24 cards.
