

## Example of Personal Independence Payment (PIP) daily living component eligibility when a young person attends a residential college

In this example the young person starts college in September, comes home every Friday night and goes back to school on Sunday.

| Week   | Sunday                   | Monday  | Tuesday | Wednesday | Thursday | Friday                | Saturday | Running total of complete days at college | PIP entitlement             | Notes |
|--------|--------------------------|---------|---------|-----------|----------|-----------------------|----------|---|-----------------------------|-------|
| Week 1 | Home + travel to college | College | College | College   | College  | College + travel home | Home     | 4   | Full daily living component |       |
| Week 2 | Home + travel to college | College | College | College   | College  | College + travel home | Home     | 8   | Full daily living component |       |
| Week 3 | Home + travel to college | College | College | College   | College  | College + travel home | Home     | 12  | Full daily living component |       |
| Week 4 | Home + travel to college | College | College | College   | College  | College + travel home | Home     | 16  | Full daily living component |       |

|         |                          |         |         |         |         |                       |      |    |                             |  |
|---------|--------------------------|---------|---------|---------|---------|-----------------------|------|----|-----------------------------|--|
| Week 5  | Home + travel to college | College | College | College | College | College + travel home | Home | 20 | Full daily living component |  |
| Week 6  | Half-term                |         |         |         |         |                       |      |    | Full daily living component | Only a break of 7 days so complete days at college before and after half-term are linked |
|         | Home                     | Home    | Home    | Home    | Home    | Home                  | Home | 20 |                             |  |
| Week 7  | Home + travel to college | College | College | College | College | College + travel home | Home | 24 | Full daily living component |  |
| Week 8  | Home + travel to college | College | College | College | College | College + travel home | Home | 28 | Full daily living component | 28 days limit now reached  |
| Week 9  | Home + travel to college | College | College | College | College | College + travel home | Home | 32 | 3/7 daily living component  | Paid for 3 days at home  |
| Week 10 | Home + travel to college | College | College | College | College | College + travel home | Home | 36 | 3/7 daily living component  | Paid for 3 days at home  |
