

## TECHNOLOGY PRESENTER ROLE DESCRIPTION

Technology Presenter volunteers are an essential part of our events for **families of deaf children and young people**. We hold weekend events within the UK. You will **deliver presentations** about **technology that can support deaf** children and young people and **provide demonstrations** to families who attend our Family Programme events so you need to be **enthusiastic** and **knowledgeable**!

### About you

- Aged 18 years or over
- Understanding of technology that can support deaf children and young people and able to provide demonstrations
- Willing to speak to audiences in a variety of settings
- Willing to travel within the UK

### What you will do

- Deliver pre-prepared presentations effectively and as agreed by us
- Adapt your presentation delivery style to meet the needs of families
- Create an open environment where families have fair opportunities to contribute
- Answer questions that families may have about technology or signpost where appropriate
- Be responsible for the quality of your volunteering and for yourself as part of a team
- Follow policies relevant to your role

### When you can volunteer

- Events take place during weekends

### Training

Before volunteering within this role, you need to attend a 'Being a Presenter' training event. Topics covered include:

- An overview of our Family Programme
- Technology
- Presentation skills and practice
- Communication and Deaf Awareness
- Informed Choice
- Safeguarding and Child Protection

We are committed to safeguarding and promoting the welfare of children and young people. You will be asked to provide references and complete a work and life activity record. Travel will be provided and accommodation and meals will be provided during training events. We expect you to travel by public transport. Accommodation will be in shared rooms with same-sex volunteers. Agreed out-of-pocket expenses will be reimbursed.
